**PATHFINDER RANCH**

# What is Frontier Camp?

Frontier Camp is a brand new program offered in conjunction with Pathfinder Ranch's existing summer camp. Fron-

tier camp is an adventure based experience designed to introduce campers to outdoor living and the skills associated with wilderness survival. During Frontier Camp participants will learn about the natural history of the San Jacinto Mountains, fire-building, shelter building, outdoor cooking, map and compass work, how to successfully travel in the woods, and much much more.

# Accommodations

Campers will be staying in gender appropriate 16' by 20' canvas platform wall tents. The campsite is located on the edge of a creek bed, borders the San Bernardino National Forest, and is shaded by two majestic Jeffrey Pines. The tents are only a short distance from the center of camp. Each tent is equipped with 5 bunk beds.

Excepting our overnight excursion, campers will eat breakfast in the dining hall. All lunches will be packed and eaten in the field. Dinners are prepared at the Frontier Camp base by the campers under the supervision of the Frontier Camp guides.

# Who Can Participate ?

- Frontier Camp is for boys and girls age 12 - 14.
- All participants must be prepared for 5 days of physically demanding activity.
- Frontier Camp participants must be cleared for participation by a physician
