Dear Friend of Pathfinder Ranch:

Remember when you went to camp? Maybe that's when you had your first feelings of independence, started making your own decisions, made some special new friends and learned some challenging new skills. Pathfinder Ranch is accredited by the American Camping Association and has been providing kids from the Coachella Valley and Southern California with wonderful memories and experiences for over 47 years.

Every summer more than 1,000 children come to the Ranch. Most of these children are from economically challenged families. Many are members of local Boys & Girls Clubs, coming to the Ranch for a week of exciting summer camp fun. A trained and certified staff oversees the safe enjoyment of outdoor experiences including horseback riding, hiking in the adjacent National Forest, a high ropes course, rock climbing, swimming, canoeing, archery and arts and crafts.

Your tax-deductible donation of \$400.00 will send a child to camp for a week but ANY amount, large or small, helps to underwrite the actual cost per child.

We are hopeful that we can count on you to help our campers build lasting memories from their week at summer camp. A return envelope is enclosed for your convenience or you may donate on-line by going to our website at www.pathfinderranch.com.

Thank you for your generosity and support!

Sincerely,
Pathfinder Ranch, Inc.
