

Dear Past Summer Staff Members,

As anyone can tell you, returning staff are the true goldmine of information. My hope is to continue the great traditions in place at Pathfinder and only make changes that make the program better for campers and staff. **Please share any ideas, stories, thoughts, or suggestions you have about summer camp- I'd love to hear from you!**

Pathfinder Ranch is looking for dedicated, enthusiastic individuals who want to carry on the success our program has offered to many children. **Great returning staff members know great people!** We'd love to have you apply to come back this summer, but **if life has other plans for you, please pass on the enclosed application** to someone you know would love Pathfinder! We are looking forward to putting together a strong team for the 2009 summer season.

The program will continue to be run by the **Ad Staff** (Want to really get your hands dirty? Find out what goes on behind the scenes as a staff leader...), **Program Specialists** (Want to become an expert in the field of your choice? This summer there will be even more chances to get involved with campers), and **Cabin Counselors** (Want to get inside your campers brain? This summer there will be more opportunities for relaxing and for checking out the whole activity scene). If any of the previous sentences made you panic, never fear- Camp will not be overhauled and your life will not change drastically. We can **talk about how to make the team work and the dream work.**

As you know, working at Pathfinder Ranch can be a truly **valuable, memorable, exhausting, and fun** experience. You will have the opportunity to affect the lives of children, while providing a safe environment for them to learn, grow, and have fun. You will also gain leadership skills and make new friends from many different places! Please look over the **attached job descriptions and qualifications/benefits information- you'll see some changes (like higher pay!)**. I'd also be glad to send you specific job descriptions if you know what you'd be interested in doing this summer.

If you are interested in coming back for another summer of inspiration, please **fill out and return the enclosed Returning Staff Application. If you have a current resume, please feel free to attach. You will need to choose three references you authorize to share their knowledge of your work and relevant experiences.**

Once your completed application has arrived, you will be contacted regarding an interview. If you have any questions, feel free to contact us. We look forward to hearing from you!
